# Work on marketing your business with hands-on exercises

In this 3 session boot camp, you will learn key marketing fundamentals with practical applications for small businesses. You'll be able to put the concepts into practice right away with class activities and hands-on exercises.

In this information age, your business is competing with a great deal of other information when trying to reach consumers. How do you get heard?

WEEK I –	Creating Your Marketing Vision
<b>WEEK 2 –</b>	Define Your Marketing Message
WEEK 3 –	Turn Leads into Customers

# September 16, 23 & 30, 2014

# 9:00am to 11:30am

Harper College

**IL Small Business Development Centers** – Providing information, confidential business guidance, training and other resources to early stage and existing small businesses.
